Chetan Shankarbhai Patel
(Mid-Level Test Engineer)

PROFILE SUMMARY

- QA Practice, Chetan is a proficient test automation and quality engineer with over 8 years of experience across multiple testing frameworks. He has been part of agile projects and has enhanced/ developed CI CD enabled scalable test automation solutions. He has demonstrated expertise in a wide array of testing tools and frameworks, with a strong proficiency in new and emerging tools, including Detox and Selenium. He has showcased a good track record in enhancing test efficiency and quality assurance through innovative automation solutions. Experience with agile methodologies and collaboration tools, such as Jira and Confluence.

- Extensive experience in complex platform testing and quality assurance.

CORE COMPETENCIES

• Test Automation & Maintenance:

Strong expertise in implementing and maintaining end-to-end automation solutions that are tailored to project

requirements, significantly improving test coverage,

efficiency, and speed.

• Tool Proficiency:

In-depth experience with industry-standard testing tools

and frameworks, including Detox, Selenium, JUnit, TestNG,

Playwright and others. Quick to adapt to and integrate new

tools that enhance automation capabilities and streamline

workflows.

• Cross-Platform Testing:

Skilled in cross-platform test automation across web,

mobile, and desktop applications, ensuring compatibility

and CI integration

• Team player & Collaboration:

Hands on individual contributor along with effective

communication and collaboration with developers and

other test engineers along with stakeholders to ensure

alignment on quality goals.

SKILLS SUMMARY

Automation Tool: Selenium, GitHub, TestNG, BDD, JMeter (Performance testing tool), Detox

Languages: Java, JavaScript and SQL

Frameworks: (Cucumber), TDD

CI/CD Tools: Jenkins, GIT, Docker

Testing Types: UI, API, Functional, Regression

Certification: AWS Cloud Practitioner Essential, Performance Testing – JMeter, Certification in the Agile Scrum Foundation Certificate, DevOps Training Certification

EDUCATION
Bachelor of Pharmacy,
Sinhgad Institute of Pharmacy, Pune,
